### Rules:

- We will verify completed squares in the Serenity Yoga Studio App before winner is announced.
- Only one square can be crossed off at a time. So if you go to a Hot Vinyasa class, you can cross off EITHER the "Sweat it out" OR the "Go with the flow" box. Except where it makes sense to cross off two (i.e. you took a hot vinyasa class and it is also your 10th class).
